

2019 NATIONAL PRESERVATION AWARD

ACHP/HUD SECRETARY'S *Award for Excellence in Historic Preservation*

The Advisory Council on Historic Preservation (ACHP) partners with the U.S. Department of Housing and Urban Development (HUD) to recognize developers, organizations, and agencies for their success in advancing the goals of historic preservation while providing affordable housing and/or expanded economic opportunities for low- and moderate-income families and individuals. In addition, nominated projects or activities will be judged for the success they have achieved in preserving, rehabilitating, restoring, and interpreting our architectural and cultural heritage. Eligible projects must meet the following criteria:

- **Promote the use of historic buildings for affordable housing, community development, and/or expanded economic opportunities**
- **Include HUD funds or financing**
- **Meet preservation guidelines**
- **Contribute to local and/or tribal community revitalization efforts**

The \$132 million rehabilitation of the Rosenwald Courts Apartments in Chicago provided housing, retail, and office space, revitalizing the surrounding Bronzeville community, all while retaining the buildings' historic qualities.
